A vertical photograph of a misty forest. The scene is dominated by tall, slender pine trees that stretch towards a grey, overcast sky. The ground is a dirt path covered with fallen leaves and some debris, leading into the distance. The overall atmosphere is quiet and somewhat somber due to the mist and muted colors. In the center of the image, the text "Ch II: Oslo" is written in a white, serif font.

now you have a Cornell souvenir."*

*Indeed, we felt that we had received the sentence of death. But that was to make us rely not on ourselves but on God who raises the dead. He delivered us from such a deadly peril, and he will deliver us. On him we have set our hope that he will deliver us again.*

*2 Corinthians 1:9-10*

*A reminder for the weary hearted.*

## 4 MONTHS AND COUNTING

*"We walked out in the ultimate act of patient advocacy."*

*"The worst part is watching the new nurses I've precepted and monitored, every hour, duck into the bathroom to cry."*

*"Over 90% of RNs in NJ with 0-5 years of experience have considered leaving."*

A person wearing a dark jacket, a blue cap, and grey pants is walking away from the camera on a train platform at night. They are carrying a blue bag with "USW" printed on it. The platform has yellow tactile paving and a sign that says "ONE WAY ONE STRONG ULP SW". In the background, there are train tracks and some lights.

*"By throwing younger, inexperienced nurses straight into the deep end and providing them with minimal training and too many patients to cover at once, hospitals are setting them up for failure —only worsening the retention issues we face."*

*"We were told by our head of HR to 'get over our COVID hangover' while [they] worked from home."*

The image shows the interior of the Great Hall at Ellis Island. The ceiling is a high, vaulted dome with a repeating diamond-shaped tile pattern. A large, ornate chandelier with multiple glass shades hangs from the center. In the background, a large semi-circular window with a grid pattern is visible. Two large American flags are positioned on the left and right sides of the hall. A balcony with a white railing is located above the main floor. The floor is dark wood, and there are several wooden desks or counters in the foreground. The overall atmosphere is grand and historic.
